BEAVERTON POLICE DEPARTMENT SEEKS

PUBLICS' ASSISTANCE IN LOCATING FRAUD

SUSPECT

The Beaverton Police Department is asking for the publics' assistance in locating a fraud suspect and to determine if there are additional victims.

The Beaverton Police Department has obtained a felony warrant for Bobby Rick Ristick (9-25-76) in conjunction with a fraud investigation involving vehicles sold with their odometers rolled back.

Investigation has shown Ristick purchased vehicles through newspaper ads in January and February 2004, rolled back odometers and then resold the vehicles through classified ads.

The Beaverton Police Department is trying to identify potential victims who purchased the following vehicles:

1985 Grand Caravan \$2250-advertised early February 2004

1988 Mazda 323 SE \$1,000

1989 Ford Ranger 123K, \$1650-advertised Jan 29 to Feb 2nd.

Anyone with information as to the location of Bobby Rick Ristick or are a victim of a fraud committed by Ristick should call Officer Andler with the Beaverton Police Department at 503-526-2261.
